Air Material Command,  
Washington, D.C.

Dear Sirs:

This, I suppose should have been reported long ago, but I didn't know one is to report anything about flying saucers, until just the other day!

On May 7<sup>th</sup> my husband, Geo. W. Smith, my grandson Lovie Earl and I were returning from a picnic, about 6:45 P.M. when we saw this silvery white object hovering quite low, I'd say possibly 100 ft from the ground. It moved back and forth for 10 minutes as though it was trying to gain altitude. Then all of a sudden it went up into the air and was out of sight in less than a minute -

We were directly across from it and only about 2 1/2 or 3 miles away.

It was about 9 miles south of Ely, Nevada.

Yours truly
