10. BRIEF SUMMARY OF SIGHTING Round object, size of tennis ball. White with some red coloring. Intermittent fading from bright to dim. Estimated at a between 15,000 and 25,000' at 270°W. Object remained stationary for 25 min then moved off in a WNW direction, disappearing over horizon at 315° WNW.		11. COMMENTS The planet Venus, which is very bright this time of year, was in the location reported for this object. Red coloring was probably due to the planet being close to the horizon.
