Dear ~~██████████~~

This is in response to your recent letter in which you reported seeing an Unidentified Flying Object in the Lakeland, Florida area on August 6th.

You probably witnessed the passage of ECHO I which passed overhead at approximately 9:24 p.m. on that date, north of you between 31° and 43° above the horizon, moving northeast.

Thank you for reporting this to the Air Force. We hope the above explanation will be of interest to you.

Sincerely,

MASTON M. JACKS

Dear Sir,

I read that you wanted information on UFO sightings as soon as they were seen, so this is my story: On August 6 10:30 P.M. I was camping out. As I was watching the stars I noticed one that seemed to stand out in brightness. As I watched it, it began moving from its SW position to the

North. It looked like it  
was about 12,000 ft. up,  
and was on a level  
course, and seem to be  
traveling at about 200 P.H.H.

- ✓
- (a) I have no witness at all.
  - (b) I can tell an airplane or  
jet when I see it.
  - (c) I have read on UFO's  
and was interested.

✓

You may believe me  
or you may tear this  
letter up. But I was  
only co-operating  
with the U.S.A.F.

Sincerely,
